Please note the following information on liability:

1. References and links

Liability for direct or indirect references to external websites (“hyperlinks”) that lie outside the responsibility of the author would enter into force solely in cases where the author is aware of the content, and where it would be technically possible and reasonable for them to prevent the use of illegal content.

The author hereby expressly declares that, at the time of placing of links, no illegal content was found on the linked pages. The author has no influence on the current and future form, content or authorship of the linked/referenced sites. The author therefore expressly declines responsibility for the content of all linked sites which were changed after the creation of the link. This declaration applies to all links and references on the author's own website, as well as to external entries in the guest books, discussion forums, link directories, mailing lists, and all other types of databases to which external access is possible, set up by the author. Sole liability for illegal, incorrect, or incomplete content, and in particular for damages resulting from the use or non-use of such information, shall be borne by the provider of the linked website, and not by the party that merely provided the link.

Authors have in any case to fully indemnify and hold values4europe harmless.

3. Content of the online offer

The author assumes no responsibility for the topicality, correctness, completeness or quality of the information provided. Liability claims against the author relating to damage of a material or immaterial nature caused by the use or non-use of any information, or through the use of incorrect and incomplete information, are excluded, except in the case of demonstrably wilful or grossly negligent behaviour on the part of the author.

All offers are non-binding and subject to alteration. The author expressly reserves the right to alter, add to or delete sections of the website or the entire offer without prior notice, or to cease publication temporarily or permanently.

4. Copyright and trademark rights

The author shall endeavour to observe the copyright of all used images, graphics, audio files, video sequences, and texts, and to use the author's own images, graphics, audio files, video sequences, and texts, or to use licence-free graphics, sound files, video sequences and texts. All brand names and trademarks mentioned on the website, including those protected by third parties, are fully subject to the provisions of the applicable trademark law and to the ownership rights of the respective registered owners. The copyright in any published material created by the author remains solely with the author of the site. The reproduction or use of such graphics, audio files, video sequences, and texts in other electronic or printed publications is forbidden without the express permission of the author.
